

A treemap visualization showing the distribution of four categories. The largest category, 'Perceptions', is a dark purple rectangle on the left, occupying 48% of the area. To its right is a large light purple rectangle for 'Priority' at 27%. Further right are two smaller rectangles: a reddish-pink one for 'Policy' at 16% and a small yellow one for 'Behavior' at 3%. Below the 'Policy' rectangle is a dark red rectangle for 'Health' at 5%. All rectangles are separated by thin white lines.

Category	Percentage
Perceptions	48%
Priority	27%
Policy	16%
Behavior	3%
Health	5%
